December 10th Causes of Misbehavior: Why Do They Act That Way? 6:30-8:30 pm

Instructor: Stephanie Dreyer, Healthy Social Behavior Specialist, CCRI Inc.

Why do some children come to depend on challenging behaviors while others discover better, more effective ways to get what they want? Generally, children use negative behavior when they lack the skills that would help them meet their needs. Teachers who take time to assess the reason for misbehavior are better able to teach children new social-emotional skills. This session focuses on the common reasons that children misbehave, a critical first step in determining how to prevent/reduce challenging behaviors. Come join us for this "always needed" training. **(2.0 DCDEE contact hours/\$7.00)**
